

Hepburn Springs Naturals Launches New Range

Hepburn Springs Naturals proudly present their Spa and Beauty range of products - Hepburn Springs Bathhouse. All products were developed by a holistic healer, with a wide knowledge of natural mineral and oil healing. With specialised shower soaps, long luxurious bath soaps and more. Hepburn Springs specialise in catering for clients with severe allergies who can't tolerate other products. Their Australian mud soaps counteract our harsh climate - they heal and beautify. Other products include Double Strength Marine Collagen moisturiser and Australian Sandalwood Face Exfoliant. Contact 0439 488 885 during business hours, email: sales@hepburnspringsnaturals.com.au.

Phyt's - New Hyaluronic Acid Hydrating Range For All Skin Types

The ability to retain and hold moisture is the secret to youthful, healthy, vibrant skin. We can reverse the signs associated with ageing by providing vital elements to the skin that naturally deplete with age such as Hyaluronic Acid. Phyt's Organic Skincare introduces a range of four new all natural products that cater for all skin types: Fluide Hydratant - hydrating cream for normal/combo skin types; Crème Hydratant - hydrating cream for dry skins; Serum Hydratant - immediate moisture boost for all skin types and Masque Hydratant - moisture bath to penetrate the serum for all skin types. Contact Phyt's Australia on 02 9719 9554, 1300 656 627, email: info@phyts.com.au, visit www.phyts.com.au.

La Gaia New Look and New Products

La Gaia announces new look packaging for 2009 and an extended product range in both their professional and retail ranges. La Gaia offers a simple and effective Spa product solution. The versatile results-based PH balancing formulas can be utilised to perform a variety of treatments without extensive product line investments. Therapists love working with the range and clients love to take it home becoming loyal customers for both the face and body range. Ecologically sound, plant nutrient based, anti-ageing, pure and Australian. A practical and delightful choice. Contact La Gaia [ph +61 3 9499 8784](tel:+61394998784), www.lagaia.com.au.

Dermalogica Shave System: The Shave to Save Manly (Yet Vulnerable) Skin

Myths surround masculine skin—that it's thicker than female skin and can endure more abuse. Dermalogica introduces the Shave System, a 3-step approach to preparing the skin for shaving. The eight products in the retail line are: Pre-Shave Clean Bar, Daily Clean Scrub, Pre-Shave Guard, Shave Soothing Shave Cream, Invigorating Shave Gel, Close Shave Oil, Post-Shave Daily Defense Block SPF 15 and Post Shave Balm. These conditioning, acid-balanced products ensure a close shave while minimising sensitivity of the beard area. For more information on the Dermalogica skin care line, or to find out how to be a Dermalogica stockist, visit www.dermalogica.com.au or call 1800 659 118.

Yon-Ka Paris Emulsion Pure

Part of the Yon-Ka Paris Skin Imperfections / Acne Range, this truly extraordinary Yon-Ka signature product was originally developed for use in hospitals, due to its superlative healing and cauterising properties. Emulsion Pure is a non-oily and alcohol free concentrate of Essential Oils. It is an intensive multi-action treatment formula that is antiseptic, anti-inflammatory, healing, rejuvenating, astringent and normalises sebaceous glands. For further information please call 1800 196 652 or email: info.yon-ka@chariot.net.au.
